

**Folding instructions**

- Fold diagonally in half & fold in half again.
- Open the triangle back out flat & turn over.
- Start folding each corner into the center point and repeat for the other 3 corners.
- It will look like this when folded.
- Turn over and fold points into the center again.
- It should look like this when folded (6). To complete the game, fold in half to make a rectangle and you will find at the bottom of your paper there's little slots you can fit you thumb and pointer fingers though, do that then push up!
- 

**How to play**

- First, pick a emoji from the four choices, then open the chatterbox in alternate directions to match up with the number of letters in that word. For example, if you pick 'love', open the chatterbox in alternate directions four times.
- Next - pick a number from where you stop and open in alternate directions that amount of times.
- Pick your final number, open the flap and start your conversation.
