Choose to talk about mental health:

1.

Ask questions & listen

Ask open questions:

“how does that affect you?”

or “what does it feel like?”

2.

Think about the time & place

Sometimes it's easier to talk side by side.

Try chatting while you're doing something else, like walking.

3.

Don't try & fix it

Resist the urge to offer quick fixes.

Often just listening is enough.
